LEVEL OF INTEREST/INVOLVEMENT IN THE ARTS

Rosedale Heights School of the Arts does not conduct auditions. In the interest of equity, we do not wish to disadvantage students who are not able to provide supporting documents as they have not had the benefit of extra-curricular instruction/lessons. Consequently, we are asking for any information you might have regarding a student's expressed interest/participation in any area of the arts. We consider your comments to be very important.
